APN your proof approval signature below also **verifies** the following two APN details are checked & correct !!!!

- ☐ APN number
- ☐ Die Cut Size **162 x 239mm**
- ☐ Colour Details & Text
- ☐ Colours will be matched on Printing Press as close to the following details:
- ☐ APN Specifications
- ☐ Die Radius
- ☐ Die Cut Shape as shown (Does Not Print)

If you require the colours on this proof to be matched to other sources (ie. bottles, labels or colour swatches etc.), then you must send that sample back with this signed proof. Especially in regards to Press Approved labels as Labelmakers may need to correct film to match your new target, if these items are brought on the day of the Press Approval then you run the risk of having the job lifted if we can not match your samples with minor corrections on the press.

***Whilst every effort is made to present this proof and all it's associated details correctly it is the customers responsibility to ensure all details meet their requirements, your signature indicates your acceptance that all is correct. If not, please return proof unsigned and with corrections clearly marked.* Labelmakers will not be held responsible for errors detected after printing job.**
