SEVEN BRIDGES GOLF CLUB RENOVATIONS

AS WE APPROACH OUR 30TH ANNIVERSARY, WE HAVE EXCITING NEWS ABOUT RENOVATIONS AT SEVEN BRIDGES GOLF CLUB!

Dramatic Renovation Puts a New Spin on Weddings, Dining & Events!

“What a beautiful view!” is often heard from visitors first setting foot on the breathtaking grounds of the expansive Seven Bridges Golf Club. Quietly nestled just off the DuPage River, in a mature woodland landscape, the Clubhouse captures the natural beauty of its setting. Seven Bridges was already a preferred location for events and celebrations. Now, the bar has been raised even higher with the addition of “The Rotunda” (also known affectionately as The Veranda Room, as it replaces some of the “old” Veranda). The Rotunda is a spectacular four-season room that showcases the Clubhouse’s amazing setting year-round.

The climate-controlled Rotunda features a dramatic 7-foot chandelier and a dodecagonal wood-beamed cathedral ceiling. There are so many ways to use this versatile room (it can even be open-air) and we cannot wait to share it with you. Invite your friends for an intimate get-together or celebrate with up to 280 guests in a multi-faceted setting. You can host an unforgettable event, entertain your friends and family, and wow your guests at the new Rotunda!

We have made other improvements, too! The bar in our Grill Room has been completely redesigned and updated. And, those already familiar with The Dock Bar & Grill, and who know the unique dining experience it affords as the best outdoor dining setting in DuPage County, will find new large screen TVs, carpeting, and restrooms for an even more enjoyable dining treat. The Dock features a delicious new menu (available “to go”) and thirst-quenching drinks list for 2020! Stop by this summer to soak it all in. You’re welcome any day and in any weather!

“The Rotunda” Soon to Open!

For nearly 30 years, Seven Bridges Golf Club has provided an uncompromising commitment to service, excellence, and the embodiment of a true spirit of hospitality.
