

These are just suggestions – if I have a boarder around glengarry beef I would prefer something that is neat or interesting to stand out on a shelf next to other products

Like the uneven circle as opposed to perfect

Like the circle but would want Glengarry written in bigger writing and beef little

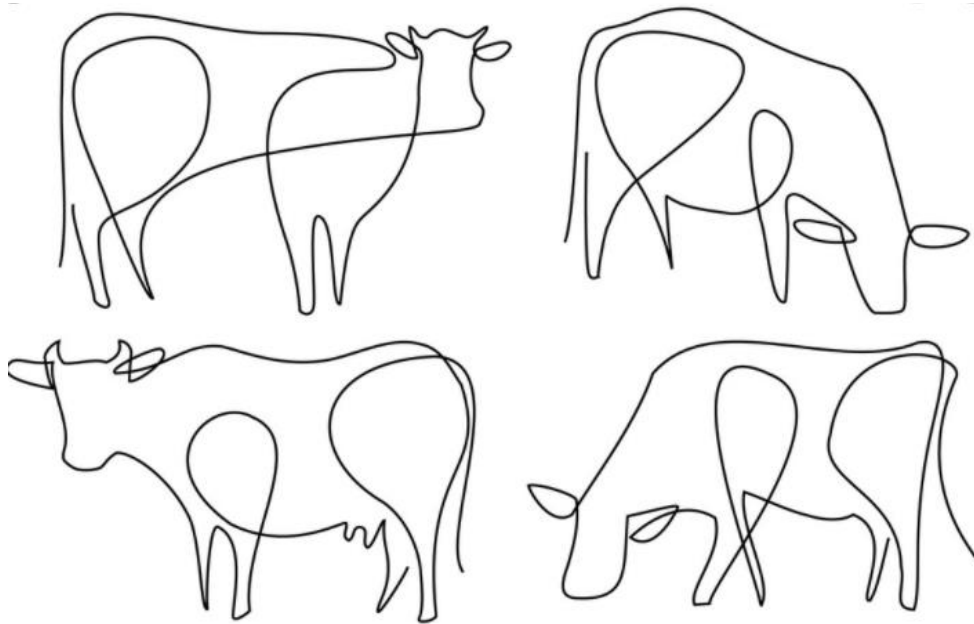

like the two colours only – probably an ink navy and white or silver or a red

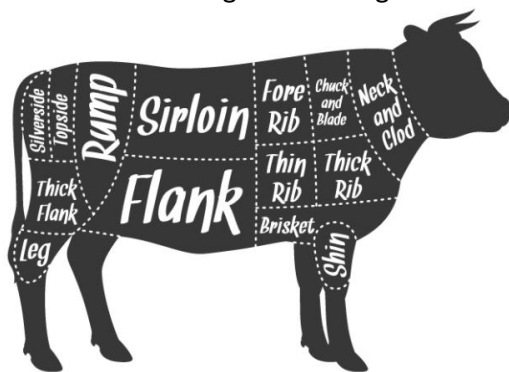

love this simplicity and the colours

Would be open to a simple image of beef cows or even a line drawing

Like the line drawings Interesting with the cuts of meat shown

Or just a hint of cow
