

# THE POWER OF DUPLICATION

As we continue to make this the most competitive and best paying program on the Mail Marketing Market, we want to offer you a chance at true financial freedom by creating an upgrade to get you there. This is the only upgrade that we have in POD. It is a one time \$500 payment.

The pay structure will be similar to the beginning and when people upgrade, the original people that got paid when they joined will be the ones that get paid as long as they too have upgraded. When people upgrade, if you personally invited them to join, you will receive \$250. If you were the one that received the referral bonus then you will receive \$150. \$100 will be for admin.

Upon upgrading you have the choice of receiving 1000 postcards or \$50 off the admin portion of the payment. Please make your selection in the order form below.

This order form will accompany each person's

welcome kit and when they get their 3<sup>rd</sup> sale if they had not upgraded by then.

If you sit on the upgrade and people that you bring in upgrade before you it will be passed up to the next person that upgraded. I will only reach out to people that have not received this form to make them aware of it.

Keep in mind you are not doing any extra mailing for this part of the program as the people that have joined with you will get this form with their welcome kit. Also you will be paid on the first 2 you bring as we pay the same people that got paid originally.

In order to upgrade fill out the form below and get 3 separate money orders. One for \$250, one for \$150 and one for \$100 or \$50 depending on your choice below.
