

I like this back window covered if it does not impact visibility too much. I'd like my logo big wherever it is. The rest of the design does not have enough contrast.

Lots of contrast. Big diagonal letters.

Big diagonal letters good. Not enough Contrast.

Not loud enough.

Looks dirty. Too hard to read.

Color pallet:

I like this faded American flag look and would like to incorporate it with “Veteran Owned Small Business” somehow but I do not want too much flag.
