

Description:

We are looking to have custom designs created that are similar to the trends you see in the images above & below. We are looking to have these designs created for sublimation printing on Golf polo's. We will be using polyester shirts/polo's (>80% polyester).

Design:

We want the following trends used for designs:

- Vibrant colors
- Patterns (simple)

Object Ideas to use in designs:

- Basic patterns
- Floral/Flowers
- Fruit/Vegetable
- Filigree
- Drugs/Alcohol
- Animals/Bugs
- Anchors, stars, dots, etc.
- Golf accessories
