Weeping Cross Fish Bar has been going from strength to strength since John and Maria Charalambous first opened its doors in 1999.

Since taking over the business John Evans (owner), Charlotte (manager) and their very hard working team have obtained more happy customers than ever before. We know that having the freshest, tastiest produce, together with friendly and efficient staff is a fool proof recipe that attracts customers from all over Staffordshire and beyond.

Great Fish & Chips is our passion, that's why we only use suppliers who are as obsessed with quality produce as we are. We still only ever buy TOP GRADE COD & HADDOCK, delivered everyday from Grimsby, Fleetwood & Peterhead Docks. Over the years our suppliers have learnt that Weeping Cross Fish Bar will only ever accept Top Grade Fish. All our fish is sourced from sustainable stocks.

Weeping Cross Fish Bar has become famous throughout Stafford and surrounding villages for **LARGE PARTY CATERING**.

"John, your Fish & Chips were once again SUPERB, on time, hot, delicious and great quality. Many, many thanks."

Jane, Brewood, 67 Fish & Chip meals for her son's engagement party.

DID YOU KNOW?

A great chip starts with a great potato, that's why we only ever use top grade British potatoes. Our potatoes are peeled, eyed and chipped in our shop every morning. Fresh and tasty everyday, ready for you and your family to savour.

We like to support our community whenever possible and our chosen charity is Katharine House Hospice.

We encourage all of our customers to buy a Compostable Plastic Fork for 10p with ALL proceeds going to KHH.

We have raised an amazing
