

Welcome to All-In-One-Entertainment ! We provide everything you need to host any event desired!! Our goal is to provide an atmosphere that will blow away the competition and leave you feeling that you hosted an event which will leave everyone talking!!

We are event planners who will provide all the goods and bring new ideas to the table that have never been done before! Starting with our main attraction the AIO entertainment trailer which was just completed last summer! We typically start booking your event with the entertainment trailer and build off of that. Whatever the occasion and whatever you desire, we will go beyond your expectations!

Our Entertainment trailer includes a full service bar with a 4x8 storage room for everything your bartender needs to serve your guests. Around the bar we have 7- 30 inch stools and a U-shaped seating area on the back which includes 5 more stools for a friendly gathering area. As you step down off the trailer on one of our four exits from the bar area you will find yourself walking directly into the event tent with all of your guests. Tents have been setup to multiple sizes with unlimited tables and chairs including white Linens and Patio lights with rustic whiskey used as props for the poles of the Tent. If you find yourself needing to use the restroom you can walk back towards the trailer and find one of the two restroom doors on the opposite side of the entertainment trailer. As you enter one of the two bathrooms you will admire how even though they are Quant in size they have everything you desire to feel as comfortable and clean as your own house. The 300 gallon waste tank below will leave you knowing that all of your guest can comfortably use the bathrooms without the worry of having a waste capacity issue.

The water pressure will be hooked up to the closest building during the event for constant water pressure and running alongside of the black rubber hose will be the heavy duty electric cord for all of your Led lighting included with the trailer. The cord will only need to be plugged into a common 110 outlet located anywhere on the premises.

Services:

Full Entertainment Trailer Rental:

For the price of \$1135.00 we will deliver the trailer within 30 miles for no additional fee.

That includes the Trailer to be setup and broken down on location and the use of the entire Bar area, storage room, and two Bathrooms. The bathrooms come fully stocked with all the necessary supplies needed for that particular event.

Additional pricing for adding equipment with the trailer package or to be rented separate below.

Table and Chair packages:

4- 60 inch Round tables with 32 chairs and 4 white Linens. \$160 .00

6- 60 inch round tables with 48 Chairs and 6 White Linens. \$240.00

8- 60 inch round tables with 64 Chairs and 8 white Linens. \$320.00

10-60 inch round tables with 80 Chairs and white Linens. \$400.00

12-60 inch round tables with 96 Chairs and 12 White Linens. \$480.00

Whiskey Barrel Rentals:

Our stained Rustic Whiskey/wine barrels are \$35 a piece and provide a nice touch to the rustic farmhouse style trailer. They also create an additional area to gather to rest your cocktails or maybe just to setup any of your decorative items for the event.

Tent Setup pricing:

Tents which are connected to the side of the trailer are rented in 12 foot sections. Each section extends 12 feet out from the side of the trailer and is 25 in length which is the same size as the trailer. Also, each 12 foot section of tent includes 3 whiskey barrels with poles included for tent support. (One for each side and one in the middle to

support the tent center height)

[Prices per section are listed as follows:](#)

1- 12 by 25 section of tent and 3 whiskey barrels included priced at \$225

1-24 by 25 foot section of tent includes 6 whiskey barrels for the price of \$450

1- 36 by 25 foot section of tent includes 9 whiskey barrels for the price of \$675

[Lighting rental and setup options:](#)

We have classic restaurant style patio lights we hang inside and along the tent. We charge \$25 for our setup fee and use of the lights for every 12 foot section of tent rented.

We can also add in up lighting and spotlights for different locations at the event but those options are done on sight at the preplanned walkthrough for larger event planning.

Table lighting centerpieces are available for individual tables as well. Each table centerpiece is \$10 a piece.

[DJs, Bartenders , and Party hosts.](#)

DJs are typically subcontracted but we have two DJs who work for All-in-one-Entertainment as well. Most of our DJs cost about \$140 an hour.

Our Bartenders cost \$350 each for a 5 hour event. We have a full bar located on the

trailer which is to be stocked by the customer or arranged to do so with the bartender. You may also add a second bartender at the other end of the tent with another small bar which will be included with the double bartender fee.

Party hosts are great to have on hand. They provide help with anything the customer desires within reason. Typically they clean up tables around the event, maintain clean bathrooms, and make sure food is properly set. \$350 per Party host.

[Frequently asked questions:](#)

[How does the trailer have lighting and water?](#)

During the setup process of the AIO entertainment trailer we will connect a black garden hose to the closest connection available and we will run a power cord connection from the trailer to a typical common 110 volt outlet. Most likely these will run across the driveway or an area your guests will be walking so we will include a plastic yellow safety protector for the cord and hose to run through making it safe for guests to walk over.
