

SCBC VALUES

Shaping Rigorous Minds & Compassionate Hearts.

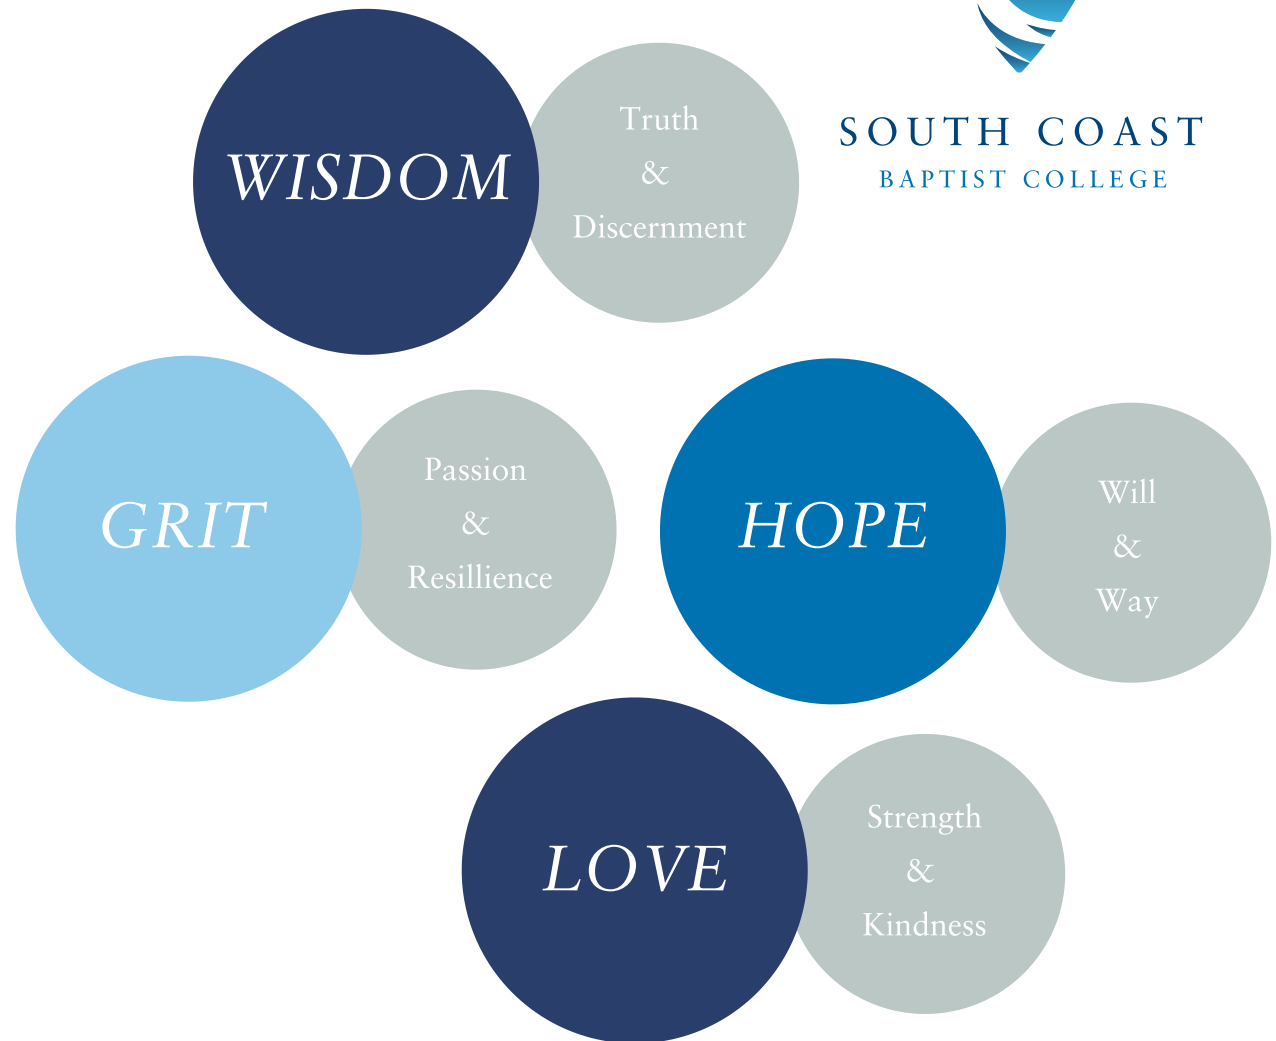

In the context of Rigorous Minds, we value Wisdom and Grit. Grit is a predictor of success. It is where passion and resilience co-exist together. Being part of a community of compassion we value hope and love. Hope is confidence in the yet unseen.

Love is the absence of selfish pride, an unwillingness to dishonour others, the absence of self-seeking activities and slowness of anger.

Forgiving one another. We celebrate the hope that love creates.
