

# 2021 Hybrid Golf Event Sponsorship Proposal

Dear Potential Sponsor:

The Neuro Diverse Living COH (Champions of Hope) Committee is planning a Charity Hybrid Golf Tournament benefiting adults with autism or other intellectual developmental disabilities in Bucks and Lehigh County. The tournament will be held on Monday, August 23, at the North Hills Country Club in Glenside PA.

Our mission is to offer adults with autism or other intellectual developmental disabilities the opportunity to live as independently as possible by providing safe and secure neuro-inclusive cohousing communities with built-in amenities and natural support systems and to give their parents and aging caregivers peace of mind that they will never have to worry about their children being alone or isolated.

We are actively confronting the unique and unmet housing needs and challenges higher-functioning autistic adults and other at-risk individuals face when their parents can no longer care for them. The alternative can be heartbreaking. Instead, we provide neuro-inclusive 'smart-home enabled' cohousing communities for this under-served population, allowing them to not only live as independently as possible, but seek meaningful employment and be an integral and active part of their local community.

We are pleased to announce we have partnered with American Fundraising Foundation, GolfStatus.org, and ClubCorp as our tournament partners. In addition to our in-person event on August 23, golfers can also play at 6 other local courses including Hartefeld National and Cherry Valley, two nationally recognized ClubCorp private courses from August 1 - 23. Your sponsorship and company logo will displayed on our tournament website from June 1 through August 31, and on the players mobile scoring app throughout the tournament.

**GolfStatus.org:** The sport has, for decades, brought people together, rallying individuals, communities, and businesses around efforts that focus resources on under-served communities. In short, golf is a powerful force for good. GolfStatus.org helps charities, foundations, associations, social clubs, civic groups, and other nonprofits and individuals harness that power.

**Club Corp ClubCorp:** the largest owner and operator of more than 200 private golf and country clubs, city, and stadium clubs in markets all across the country.
