# TESTIMONIALS

Since the start of my journey in The Boys' Brigade, my batchmates have always motivated me to press on and work hard towards every goal we set our sights on. It is through journeying with them and my Officers that I have learnt valuable lessons of perseverance, self-discipline, selflessness and to care for others. Resilience is one of the most important value I have gained, as the fair share of mistakes I made along the way taught me that the journey was far more important than the results because this gave us the opportunity to become better.

**WO Benedict Ng Kai Rui**  
**19th Singapore Company**  
*Yishun Town Secondary School*  
*Yishun Christian Church (Lutheran)*

Though appointed as CSM, Benedict was never complacent with his achievements and he would always credit them to others who had also contributed to them. This comes from his belief in the importance of building relationships. His humble heart is often seen and recognized by Officers, friends and even juniors. Through mentoring him, I am proud to have watched him grown into a leader that is now able to lead with confidence and see any task through till the end.

**LTA Sarah Cheong, Acting Captain**  
**19th Singapore Company**

I recall encountering and experiencing the remarkable character of the BB Boys right at the start of my journey when I was a recruit, when my senior selflessly offered me a helping hand during our introductory camp. Inspired not just by this senior alone, but by all my Officers and other seniors who wholeheartedly and intentionally sought to mentor me, I grew in my faith to others by seeking to devote myself to the service of others and by learning to place their interests over my own.

**WO Yong Tze Fon Timothy**  
**2nd Singapore Company**  
*Victoria School*  
*Kampong Kapor Methodist Church*

Timothy has grown into a confident and mature young man who is always ready to step up to lead and to handle any situation. We have witnessed first-hand how he is not just a resilient and rational leader that can lead from the head, but also an empathetic and compassionate leader that can lead from the heart. We are sure that Timothy, as well as all our Founder's Men, will remain men of good character, and that the values learnt in The Boys' Brigade will continue to guide them through their future.
