

Revamped Veterinary Rod of Asclepius ideas:

DOGtor B Relief, LLC is owned by Stephanie Beagan, DVM who is a relief companion/small animal general practitioner

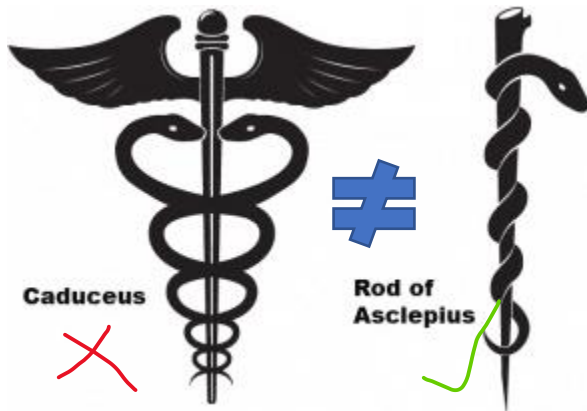

- Professional interests include: periodontal dentistry; elective gonadectomy and mass removals; pain management; client education; end of life care

Relief veterinarians provide services on an as-needed basis when full-time vets are away from their practice (often due to situations such as illness, maternity leave, family obligations, or a scheduled vacation).

Colorado State University, class of 2019

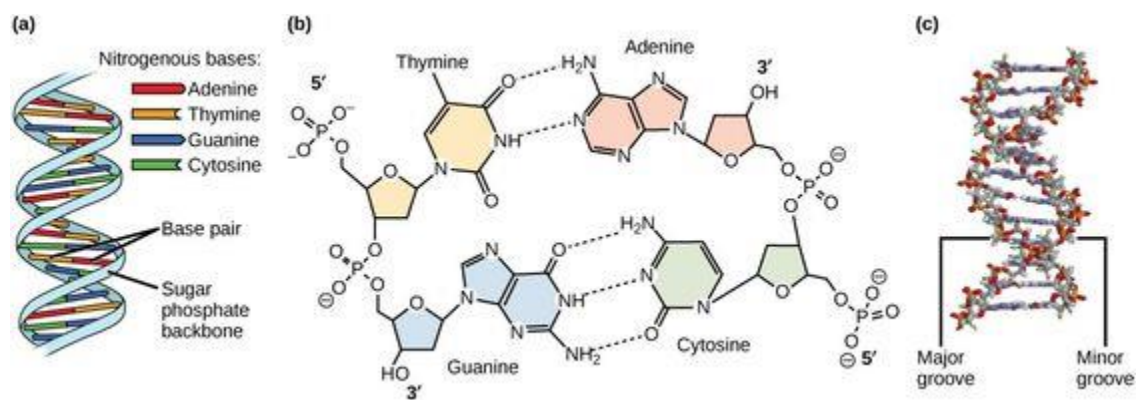

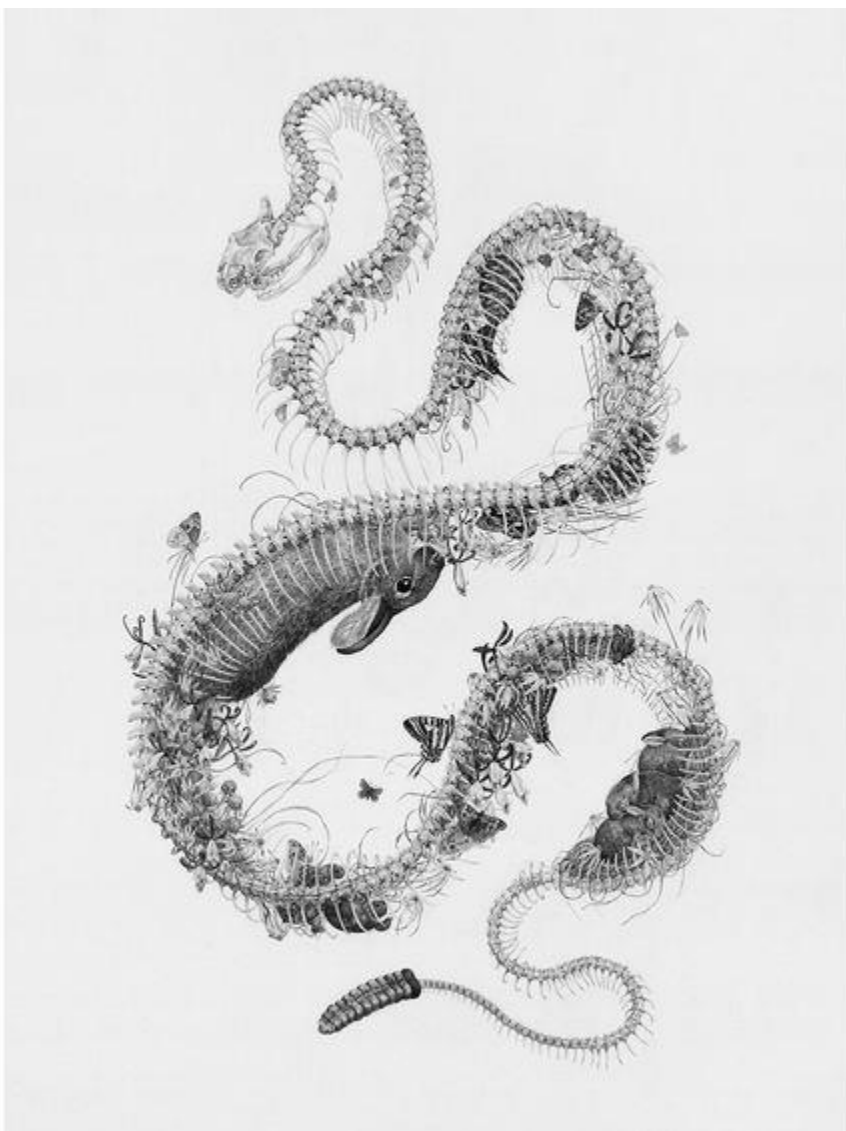

Please, please, please note Caduceus is not equal to Rod of Asclepius

Wishlist custom flares:

- Serpent is a prairie rattlesnake
- Rod is a scalpel handle with #15 blade
- Includes phrase PRIMUM NON NOCERE
- Other thoughts:
 - o Aspen tree trunk/branch with fall-colored leaves as an elegant letter V
 - o Serpent body is DNA double helix
 - o Would be happy with macabre mixed in

Pertinent works of art I find pleasing to my eyes:

Bold Line Tattoo - Marcio Sespede
