
Job description

Ghent Veterinary Hospital (939 W 21st Street in Norfolk) is growing and excited to announce an opening for a part- or full-time Licensed Veterinary Technician. Our new Hospital opened in late 2015 and is a full service medical, dental and surgical center with a focus on preventive medicine. We are also equipped and able to handle most daytime emergency cases.

Applicants must be energetic, compassionate, welcoming, positive, and enjoy interfacing with both clients and pets. An extraordinary attention to detail in caring for our clients' and patients' needs is a must. We are a paperless facility, and expertise in electronic medical records or the ability to quickly learn these systems is required.

Ghent Veterinary Hospital is AAHA-Accredited, and our medical staff are all Fear Free Certified. We are located in the historic Ghent neighborhood of Norfolk, minutes from Downtown Norfolk and the beaches of Norfolk and Virginia Beach.
