

About Prestige Security International LLC

Prestige Security International, a Qatar Financial Center company, is an international strategic consultancy specializing in cybersecurity, project management, data analytics, risk, IT services, and VIP engagement. We combine real-world experience, in-depth research, and rigorous analysis to create and deliver unsurpassed, actionable products. Our staff is uniquely well positioned and dedicated to helping our clients navigate a world of

uncertainty. Our core mission is to enable successful outcomes for our clients through the application of expertise, elite personnel, persistence, and a consultative approach to problem solving.

We provide the highest caliber of security products and advisory services to governments and multinational corporations worldwide. We enable today's leaders to make the right decisions and conquer uncertainty.
