

ECU IOMSC

Interdisciplinary Oral Medicine Study Club

Purpose

Vision

Integration of all healthcare schools at ECU to promote collaborative and optimal patient care.

Mission

Increase professional awareness of the field of Oral Medicine.

Create a platform for shared learning between healthcare schools of ECU.

Provide opportunity for mentoring and career counseling in Oral Medicine for all healthcare students.

Programs

Previous Programs

Clinical Hypnosis for Orofacial Pain Management
- Dr. Zastrow

Hospital-Based Oral Medicine Practice - Dr. Murdoch-Kinch

Oral Potentially Malignant Disorders - Dr. Alexander Kerr

Managing Oral Systemic Health within a Pandemic: Current and Future Observations - Dr. Gina Pritchard & Dr. Samuel Low

Medication - Related Osteonecrosis and Osteoradionecrosis of the Jaw - Dr. Rajesh Lalla

Infective Endocarditis and Antibiotic Prophylaxis
- Dr. Peter Lockhart

Future Programs

Salipen Technology for Xerostomia - Dr. Wolf

Hospital Dentistry - Dr. Muzyka

Autoimmune Conditions & Relevance to Dentistry
- Dr. Hasan

Goals

Host inter-professional speaking engagements.

Host fundraising events for charitable causes.

Establish an inter-professional student community.

Increase participation in inter-professional scholarly activities and Schweitzer's fellowship programs.

Engage and promote interdisciplinary research and evidence-based practice.

Increase awareness in the community and among healthcare professionals as to how oral and systematic health coincide.

Let's Work Together

Interdisciplinary teams have been used in healthcare for many years with positive results. Each individual brings personal knowledge, specific skills and knowledge as well as ongoing education to the team, making it much more effective than a single individual.

Together

Membership in this organization is open to all ECU health professional students

Members - \$20 per year

Access to exclusive Interdisciplinary guest speaker presentations

Mentorship in preparation for residency

Gift for speaker

Lunch

Opportunity to attend Oral Medicine conference
