

# DESIGN BRIEF

BE LEGENDARY

This the brand name want to get with my logo / brand.

I also want to to keep the idea of this african mask designed in a box.  
The meaning of the brand name is to convey the idea of a factory in africo who's  
designing a fashion line and sell all over the world in a box.

About the font you free to choose but please keep in mind  
this brand is for a tshirt line brand and other fashion accessories.

Color used for this logo is the black, the white and the yellow f4c400.  
Please keep those 3 colors to compose the logo.
