

BRIEF DETAILS: Logo Design Project ID 3976326

1. A drawing **of the industrial vessel** in the background (left side):

2. A drawing of a man at the bottom of the gain way (his hands are in the air as if shouting)
Then on his side, input the text" all aboard" (please do not put circle like a thought bubble)

3. The man should be wearing FRC (Fire Retardant Clothing)

4. On the other side, Create a silhouette of an 18-wheeler truck with a text on Twic Truck Escort. Like the drawing of the truck below.

5. At the bottom of the design under the industrial vessel:
Type in the contact information/cellphone number | the font size and style should be big and bulky.
