

good people
know good people.

ANNOUNCING OUR NEWLY REDESIGNED REFERRAL PROGRAM

Referrals are the **lifeblood** of our small business.

We are **incredibly grateful** for your trust and recommendations over the years, and we want to show our gratitude. That's why we are introducing an exciting new way to earn more free treatment. Now you can:

- ✦ Earn **\$25*** for every referral you make to our south Calgary location (Southland Drive), and;
- ✦ Earn **\$10*** for every referral you make to our north Calgary location (Evanston).

Credits can be **used for any service at either our north or south location** and, in the spirit of community, **credits are transferable**. Refer 4 people to the south and you could gift someone a \$100 gift card! Or, enjoy a well deserved, free treatment yourself.

*Referral(s) must be brand new client(s) to the Energize Health Inc. practice, having never booked or attended an appointment at any Energize Health location. Referral must attend their appointment for you to be eligible for a referral credit. Referral credit value is dependent upon which Energize Health location your referral attends: you are eligible for a \$10 credit for a referral to our north location (#8230 - 2060 Symons Valley Parkway NW); you are eligible for a \$25 credit for a referral to our south location (#210 - 9825 Fairmount Drive SE). We are really good at asking but please remind your referral to tell us it is YOU who we have to thank! Credit(s) may be redeemed as payment or partial payment for any service at any Energize Health location. Credits have no cash value and no expiry.
