

The package design is for a replacement part product. The product is 1-1/2" wrought iron furniture glides. They go on the end of table and chair legs to prevent the furniture from scratching the floor

Current product URL for reference

<https://www.projectpatio.com/collections/wrought-iron-patio-furniture-glides/products/patio-chair-glides>

- Must Include Vector file for the printer to edit as part of the included files
- Going on a 6" x 6" Reclosable Zipper Top Bag
- Sans Serif Text
- 3 - colors on the front - black, white and green
- 2 - colors on back - same black and white used on the front
- I think the green in the logo is HEX #8bc53f

Keep in mind the package will be full of the parts and will bulge out and be somewhat rounded when full.

FRONT

- Logo
- Product Title - 1-1/2" Wrought Iron Furniture Glides
- Partial white/off white background behind text and logo. There needs to be a good amount of clear space so the product can be seen through the bag.
- Maybe an image of a chair leg? Or maybe on the back? Outline instead? Do not want it to look cheesy or cheap. See attachments

BACK

- Some bullet points?
- Background can be all white (same white color as the front)
- Designed to fit wrought iron furniture feet with a 1-1/2" inside diameter cup
- Provides smooth movement of your furniture
- Prevents scratches and damage to your surface
- No more screeching sound when moving your furniture
- Installs using a rubber hammer or mallet
- Barcode towards the bottom but far enough from the sides and bottom to be able to scan if the bag is full and more rounded.

Barcode Size - 2" wide x 1" high

Whitespace on label - 0.25 inch on the sides and 0.125 inch on the top and bottom
.25 inches between edge of label and edge of bag

–Suffocation Label somewhere on the back to be seen easily!

Must be - 10 point type - Insert text below as shown

Warning: To avoid danger of suffocation, keep this plastic bag away from babies and children. Do not use this bag in cribs, beds, carriages, or playpens. This bag is not a toy.

–Text/Website somewhere on the back

In the attachments there should be

- Our Logo
- Scannable barcode
- Current cardboard header tag front@back we use now as reference if needed.
- Example random Image of the type of bag it will be going on
- Chair Image -If needed at all. Partial image of chair legs shown with part beneath it?
- Image of a furniture leg/cup that the product is used to go in. Open to using it as an outline instead of an image if it is used at all. Your call.
