

## CUSTOM MOBILE APPS DEVELOPMENT AGREEMENT (FIXED PRICE)

---

This Custom Software Development Agreement (the "Agreement") is made and effective from 10<sup>h</sup> Day of June, 2020

**BETWEEN:** John Potvin  
**AND:** "Developer TBD "

---

### RECITALS

Whereas, Customer wishes to get the Mobile Apps , Word press webapp which allows users to use the website landing page the same as the APP and backend " admin panel " of their project for iPhone, iPad, Android developed as per the requirements specifications sent by John Potvin.

Whereas, the "Developer" desires and offers its services to develop the Project for the Customer.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties hereto, intending, to be legally bound, agree as follows:

### 1. SCOPE OF WORK

The high level scope of work is the development of **Project** as per the requirements specifications sent by John Potvin as mentioned below. Developer may recommend or create their own designs for the betterment of the App with the approval of the customer only.

- Service Provider APP Escorts, GFE, Massages
- Service provider app
- user and vendor app
- web app linked to the app for front end consumer and back end service provider
- admin panel / login to manage service providers and users
- Pay options the seller can offer CASH, or accept payment through our site via paypal or credit card  
Service providers can upload multiple gift cards to their wallet for ad and listing payments.
- pay option to the app for vendors and the different packages offered and bid on featured listing, vendors"escorts" "GFE" and "massage" may upload their pre paid visa or mastercard to add funds to their account to pay for ads and listings
- listings ( post an ad pay by day or week standard ad ) ( PAGE 1 AD limited availability , stay on page 1  
\*\*Diamond featured and verified listing listing \$PER week our most premium ad always listed first and highlighted must be a verified account.)

- SERVICE PROVIDERS MAY LIST PHOTOS AND VIDEOS FOR USERS TO VIEW . PUBLIC AND PRIVATE
- USER MESSAGING IS ALLOWED 2 WAYS
- USERS MAY ALSO CREATE PROFILE WITH OR WITHOUT PICTURES and be reviewed by service providers
- calendar for service providers , with available time slots book online by paying by credit card , paypal, or prepaid credit cards .users can upload multiple cards into their wallet to spend on services
- all the options and features listed in app modules

# APP FEATURE LIST

## **SERVICE PROVIDER,ESCORT , DATING STYLE APP SETUP**

OUR APP SHOULD ALLOW USERS TO CREATE ACCOUNTS ON THEIR OWN USING AN EMAIL ADDRESS AND PASSWORD , STANDAR CONFIRMATION EMAIL TO ACTIVATE ACCOUNT . Same as Service Providers service providers will have a unique link for their listing to share on their social media

## **How SERVICE PROVIDER App will Work**

Our Ubereats like app will be a user friendly on demand delivery ordering app.This app allows you to order your product with mobile phone in just few steps. You just need to register or login first. Now you can search your favourite Vendor in the mentioned list or you can search it by typing it's name directly then select the Vendor you want to order or you can use filter option. Now you just need to enter your address. When you are placing your order you will see your delivery address, an estimated delivery time, total cost including all taxes. You can pay by using your debit/credit card or using your wallet money. Cash on delivery option is also available in our product delivery app if the vendor is not set up for credit or debit . You can track your order from the Seller to your doorstep by using GPS.

vendor may set their Hours on calendar and availability .

## SECTION DESCRIPTION AND DETAILS

## **ESCORTS**

The safest most reliable way to book your well deserved time. If booked online your funds are held until the Service provider marks you showed and you confirm completed. This allows you to have no cash on hand or credit cards , this also helps keep the service provider safe as they will not have cash on hand either.

## **GFE**

The safest most reliable way to book your well deserved time. If booked online your funds are held until the Service provider marks you showed and you confirm completed. This allows you to have no cash on hand or credit cards , this also helps keep the service provider safe as they will not have cash on hand either. similar to our escort services although these girls may have more limitations , or they may have their own good girl fantasies for you to make come true and instead of paid by the hour they are paid by the meeting , whether its a dinner and evening or a full weekend. Have a true Girl Friend Experience ( GFE )

## **Massage**

All of our massage providers offer different services please check their services and message them to find out more before you book .

## **Fetish**

Whatever your fetish may be, list it in your user profile maybe one of the service providers is interested in making it come true . BDSM, SPANKING, BABYSITTER FOR COUPLE . COUPLES . the list is too long no ones here to judge you , make all your fantasies come true . want a service provider to pose as your significant other to attend a sex club ? The sky is the limit here just , message and ask

## **Why LIST your ad with us?**

We are the premium service provider site, keeping you independent and safe. In select cities we also have upscale secure rooms and lounges for your use with a qualified security personnel and outcall drivers who wait at the call for you outside if requested.

We suggest you don't accept cash , leave you money in you wallet get an e-transfer or loadable credit card payment from us when you need it, no cash on hand makes it safer for you , also the client must pre pay to book online , no

more no shows no more getting scammed , we got you covered .

you are able to see the reviews of other service providers for users . And you can request their picture as well know who you will be servicing in advance.

Send you previous client an offer or special , or just send a user you connect with an offer they cant refuse !

we keep a list of your bookings and history so you can market and chat them up in your free time if you want. or send them that offer they cant refuse .

Add gift wishlist on your profile , users will donate towards you getting that gift until you reach the goal. this money will just be added to your wallet when the goal is reached .

## 2. ESTIMATION AND COMMERCIALS

Platform	iOS, Android
Total Delivery Time	Min – 1Calendar Months, Max – 3 Calendar Months
Quotation (In RM)	\$ CND

### Notes:

(Final Delivery)	<ul style="list-style-type: none"> <li>• All bugs or feedback resolved and incorporated.</li> <li>• Submission to the stores if all tests are passed.</li> </ul>		
After 6- 8 Weeks	<ul style="list-style-type: none"> <li>• Bug Fixing Warranty Time. 12 months bug fixing included</li> <li>• If any bug is reported then it will be resolved on priority.</li> </ul>	After 12 months	0
	<b>Full payment on completion Grand Total</b>	<b>100 %</b>	<b>\$ CND</b>

#### 4. CHANGE ORDERS

##### Definition of Change Order:

Any change or modification in functionality or feature or UI of the App required by the customer which is beyond agreed functional requirements considered in this Agreement will be considered as a "Change" in the original specifications, and that shall be submitted to the developer in writing, if this change is still part of the original functions there is no charge, if this is a new function there will be a fair charge added at the approval of the customer. If the change is a simple change to improve the function in the original description there is no charge this is a bug fix issue or customer change to accept milestone or delivery .

*Change Orders do not however cover any bug or glitch fixing produced out of the code written by "developer" as any "bug" will be fixed "developer for free up to 12 months after final delivery (**Bug Fixing Warranty**).*
