

Resiliency Run

Please join us for the 6th Annual Resiliency Run. Honoring our survivors on Saturday June 11th at the Cleveland Metroparks Zoo.

The unfortunate truth is that traumatic and burn injuries are common in our community, but so are strength and recovery. The Resiliency Run was created to honor this strength and to acknowledge the extraordinary people - survivors and their loved ones - who are moving themselves from the worst days to the very best. This event also honors the caregivers who provide a steady hand of healing along the way.

This is our community, and we should celebrate it!

Come celebrate with us!

Funds raised will benefit trauma and burn survivors who come to MetroHealth for critical care needs as well as other healthcare needs.

To register for the event, scan the QR code.

**Saturday, June 11th
Cleveland Metroparks Zoo**

*Virtual option available on race registration page

Children and families welcome!

Admission to the Zoo included with race entry
