*Our  
Story*

**Thank you for your lovely order at BOLT Amsterdam.**

All of our tulips and bulbs come from a place where the love for this flower has been a center point for the last 80 years. The passion started with our grandfather and his first bulbs, and quickly rolled over to the rest of the family. And now we can't get enough! It's safe to say we're crazy 'bout tulips!

We grow our own tulip bulbs and flowers in our greenhouse and tulipfields. So you will always get the highest quality fresh at your doorsteps.

Are you curious about our growing process, passion for tulips and our hard work for a sustainable future of tulip growing? Follow our adventures on Facebook and Instagram:

We hope to see you there and hear your personal stories about our tulips :)

Much of love,

**Jaap, Team BOLT**
