PRODUCTION, TECHNOLOGY & OPERATIONS  
EPS FALL CONFERENCE

NOV 10-11  
TREASURE ISLAND  
LAS VEGAS

The 2021 Production, Technology & Operations Conference will offer a special meeting forum that combines the best of EPS EXPO & PTO. Dynamic motivational speakers and top financial analysts are EPS EXPO fixtures coming to PTO this year. In addition to PTO's customary knowledge circuit on EPS molding technology, the conference will cover the industry's top challenges and opportunities as we see the constraints of a COVID society coming to an end. This 1½-day program will be designed to appeal to EPS industry CEO's and plant personnel alike. A preliminary agenda will be released in early August.

The 2021 PTO Conference will be offering a room rate of \$89/night to registered participants. Hotel reservations and conference registration will open on June 1st. For information about sponsorship or to exhibit, please contact Donna Stearns, Chief Staff Executive, directly.

Together with Treasure Island, EPS-IA will ensure all necessary safety protocols will be in place throughout the event.
