Swallowtail Spirits is an Oregon grown company located in the heart of the Willamette Valley with the goal of providing small-batch, hand-crafted, artisan spirits using as many locally sourced products as possible. Our mascot, The Swallowtail butterfly, is Oregon's state insect. For us it means delicate, light and like the butterfly, through much effort our vodka became something beautiful. We produced our vodka in small batches and it's blended with pristine McKenzie River water that has not only been filtered through the Northwest's unique volcanic geology, but our proprietary system as well. The finished product has been filtered over 120 times through activated carbon for an incredibly clean, smooth finish.

**GOVERNMENT WARNING:** (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems..
