# CUSTOMIZABLE LANDING PAGE

Lifestylepanel features a clear, easy-to-navigate user interface (UI) that can be customised with your own branding. Easily add your logo and colours to the search bar to increase the presence of your brand.

**LSPtrak**

## BUILT-IN RTLS

LSPTRAK can significantly reduce hardware infrastructure costs with its unique integration with the TV's embedded Bluetooth Chipset, creating a network of Bluetooth Nodes out of the guestroom TVs

Staff duress prevention: Locate personnel in need within seconds after a wearable panic button is pressed

Patient safety: Ensure patient safety with real-time position monitoring and alerts when they leave designated areas or enter restricted zones

## SAFETY SECURITY ANALYTICS

All following pages to be style like this one

## GOOGLE PLAY STORE

Full access to the entire Google Play Store makes it easy to add apps, games, music, movies, and more to your Philips professional display. New business tools and extra entertainment options are added to the catalogue daily, ensuring that you always have access to the latest global trends.

## ANALYTICS ON-BOARD

Create guest satisfaction surveys, and optimise your content and services with vital insights on how your Android-powered **Lifestylepanel Interactive TV** is used.

## BUILT-IN CHROMECAST

Enable instant, secure wireless casting of movies, presentations, and more from smart devices (mobiles, laptops, tablets) in up to 4K resolution. Chromecast is cost-effective, requires no extra hardware, and is secure for professional use. Users simply tap the Chromecast icon on their smart device to start streaming content from thousands of cast-enabled apps—their smart device becomes the remote.

## ICON

## CENTRAL MANAGEMENT

Run your display network over a local (LAN or RF) connection. CMND & Control allows you to perform vital functions like updating software and settings, as well as monitoring display status. Whether you're in charge of one TV or more, CMND & Control makes managing your fleet easy
