Information on scholarships required here

**50% of NFT Revenue Goes to Local Scholarships in the Initial Owner's Zip Code!!!**

15% of Golden Ticket NFT Resale Revenue Goes to Scholarships!!!

**Direct Impact In the NFT Owner's Community**

A first-generation owner of a PGK Commemorative Golden Ticket NFT who chooses to complete the optional registration form and target a particular community with the Scholarship portion of their NFT purchase can do so by entering their chosen community's zip code on the form. They can also option in by entering their name and having their participation in the awarding of the scholarship made public along with information about the scholarship itself. However an owner chooses to donate the scholarship portion of their Golden Ticket NFT purchase, whether publicly or anonymously, the PGK Scholarship In Education Fund and Datavault Technologies implements a coordinated campaign of press releases and other forms of publicity.

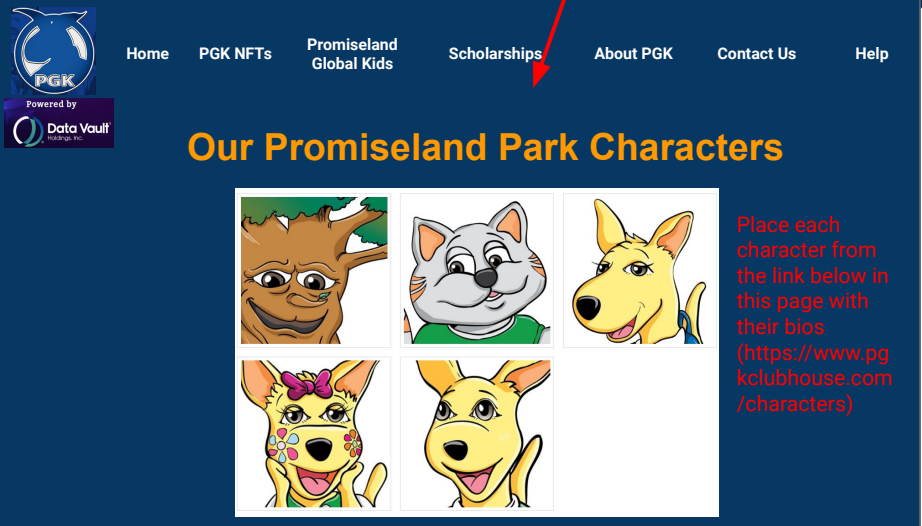

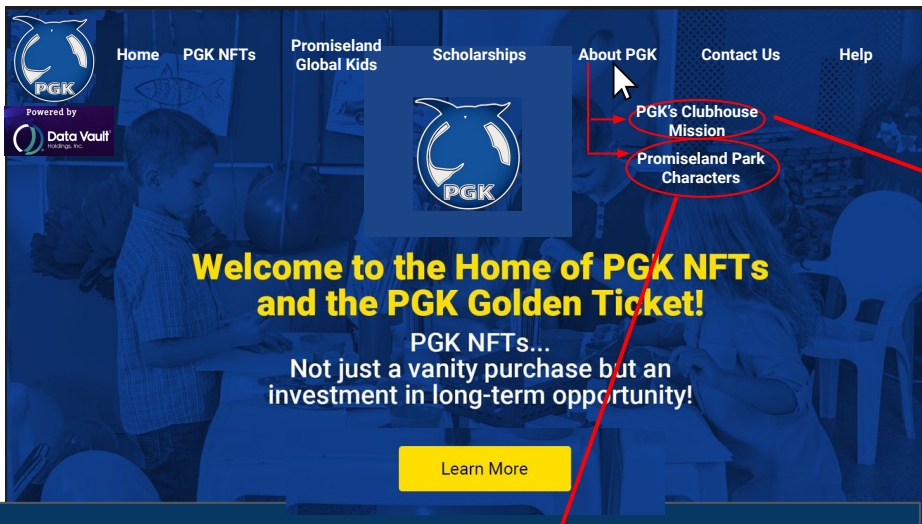

### The Commemorative Golden Ticket NFT Scholarship Portion

The following is the fundamental procedural outline for how the PGK Scholarship in Education Fund distributes local scholarship revenue that results from the sale of PGK Commemorative Golden Ticket NFTs. Someone purchases a Commemorative Golden Ticket NFT for \$500.00. If they choose to complete the optional Donation and Membership Form we then reach out to a school or child caretaker organization in the same city, state, or zip code that the purchaser has chosen. If the purchaser of the NFT chooses to be mentioned, we let the school or organization know that PGK and Datavault, on behalf of the purchaser, are donating \$250.00 on behalf of the purchaser to a deserving child. This money can be used for books, tuition, meal programs, and/or other school related expenses. In the case of some scholarships, funding for summer school, summer camps, or daycare services is included. Purchasers of Commemorative Golden Ticket NFTs also have the option of giving a PGK's Adventure Club Membership as a gift to a child they choose or donating it to a child who's chosen by the PGK Scholarship in Education Fund. Commemorative Golden Ticket NFT scholarship revenue not donated locally goes into the PGK Scholarship in Education Fund national fund.

### Local Golden Ticket NFT Scholarship Categories include tuition or funds for the following:

- Accredited Universities
- Books
- Daycares
- Meal Programs
- Performing and Creative Arts Schools
- Private School Tuition
- Summer Camps
- Uniforms
- Vocational Schools
