

## 2023 Website

Suggest a far fresher look and feel, there are literally thousands of templates to kick us off. We can continue to use weebly, but it may be worth biting the bullet and going with something like WIX. If we had a \$1-2K design set up budget (if we can't get students and just want to smash it out before season kick off) and then about \$50/month in hosting, we would be boasting a fresh contemporary site which would be a bigger drawcard for sponsors to be involved... And if we FORCE the community to go back to it as the only comms hub – traffic will go through the roof which will assist with long term sponsorship \$\$\$. There are only a few critical pages that need a proper programmer involved (team page, volunteer roster, merch hub), once we get a team page template, that just gets duplicated. Where it would be fabulous to get input is how we create a player database that just gets shifted along each year (with new incoming players added each season) so once families are 'in' they don't need to do much but "verify" their details haven't changed next year.

Here's a link to a WIX template (obviously everything on it is customisable).

Currently as a consumer, I am a bit overwhelmed by the amount of info available on our existing homepage. We could pare it back to below:

PAST PLAYERS CELEBRATED

Idea - Give a past player a page to write their story and share photos (encourage fathers and grandfathers....) make it a bit of a competition, ask for nominations and then select 10 people to be the 2023 'face of Marist Rugby History'. 1 profile shown a month for 10 months.

MOVERS & SHAKERS

Our People

Committee Meetings – all welcome!

Once you go in to your My Team Link for your boy..... it would be amazing if that team page was password protected. This way we could share lots of private information to build community (particularly parent names and contact numbers so you get to know parents on the sideline, can arrange lifts, playdates etc). Once this page is built it should take managers 10 mins a week (max!) to update. (Ignore ugly presentation of content below!)

## This week's Info:

Free text box where coaches and managers can write a para on anything to the group... weekly comms should always go here so group is forced back to a single source for all the team info

- Training Time & Location:**
- 3.45pm – 5pm Wednesdays, Marist Oval [click here for details](#)  
(link will talk about what to wear, bring, the boys are escorted down, where to park – think like a new parent etc)
- Game Time & Location:**
- 8.10am Marist Oval 1
- This Week's Family allocation:**
- Fox family on oranges

**IMPORTANT:** To ensure our boys have a great season, it is critical that families honour their rostered time slot. If you are unable to make your allocated time, it is YOUR responsibility to arrange cover.

**Volunteer Roster:** Smith and Swift families on duty
