

THEME/TYPE/STYLE

- I am looking for a logo to represent my family and our values/pillars.
- The logo must be a Coat of Arms or crest or emblem style.
- Minimal, thin lines.
- Modern, classy, elegant, and timeless.
- I hope the logo will resemble and emit Legacy.

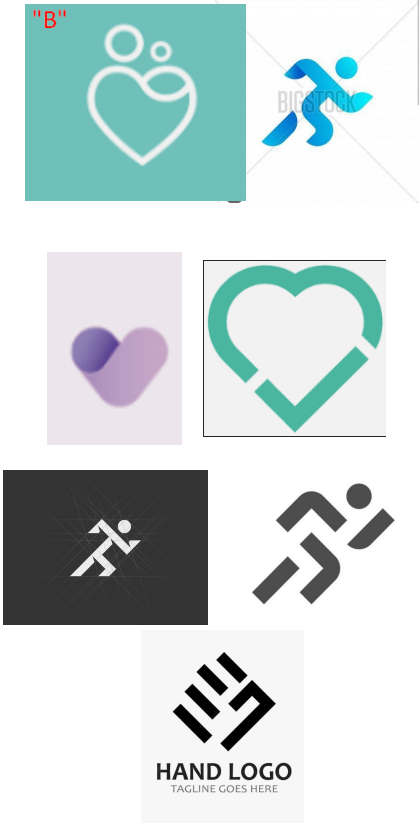

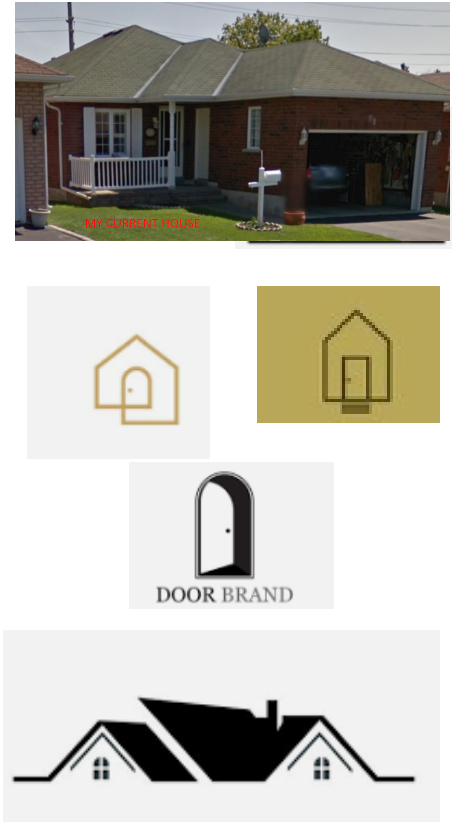

Examples of logos I like:

ICONS

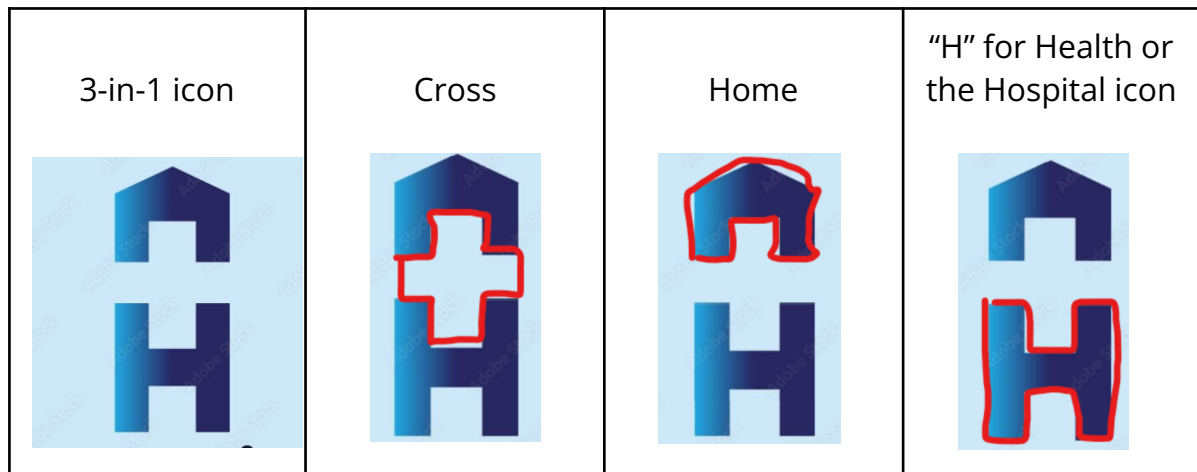

- The logo must include 3 icons for:

1. Holiness
2. Health
3. Home

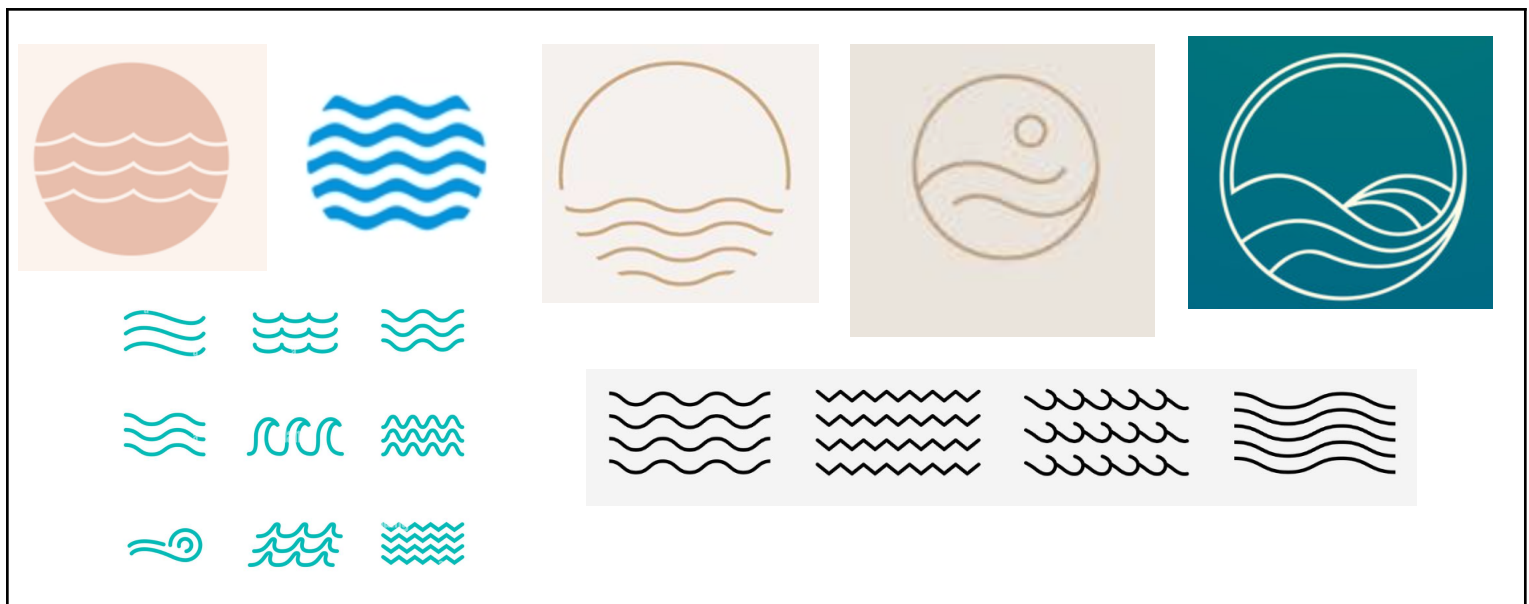

Holiness	Health	Home
<p>Cross, Jesus, God, Church, Bible, Crown</p> <p>Preference = Cross (like the icon labelled "A")</p>	<p>Heart, fitness, exercise, body, hand, mind</p> <p>Preference = The heart/people hugging icon below that is labelled "B" or a person running</p>	<p>House, rooftop, door</p> <p>Preference = a rooftop outline that matches my current house</p>
		

ICONS (CONTINUED)

- My preference is that the 3 icons appear separate, but they can also be combined into a 3-in-1 logo if it looks awesome. Example:

- A 4th icon is optional; an icon representing waves can be integrated but it needs to be more subtle than the main 3 and it should not appear grouped with the main 3.

- The overall icon style/theme should be consistent and each icon style/theme should match.
- No mountains.

WORDS

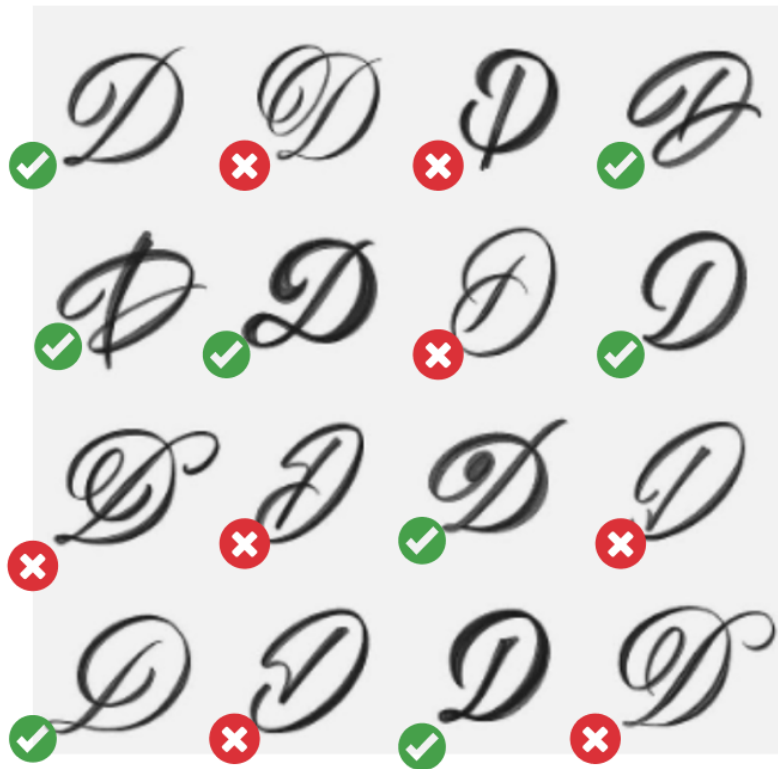

- The logo must include the words: "The Duiello Family Team".
- "The" is optional.
- Case is optional (lower or uppercase or mixed is fine).
- "Duiello" should appear the largest in font size.

TYPOGRAPHY

- I think a mix of a thin Sans Serif font (for "The" and "Family" and "Team") with a cursive font for "Duiello" would look nice. I like how the "D" appears for the "Arunika" font:

Dui

- I need a font(s) that are readable and scalable but not too fancy:

COLOURS

- No colour is fine.
- Must look good in black and white.
- Gold, blue, red, yellow, and greys can be integrated if you'd like.
