

1. We like the design of a local federation as it looks more personal and reflects the Brighton pier near to us.

2. We would like something that reflects the Brighton skyline and /or sea – and ideally some reference to a rainbow /rainbow colours to reflect our diversity
3. We also like this picture drawn by a patient of our local area

4. Here is a picture of the Brighton skyline

5. And Another one

The area where we are based is the right hand side of this image and includes the churches.

I have posted our values and vision and a photograph of a recent advert which has a picture of our building on it as well in the brief
