
OUR STORY

Embrace Healthcare: Your Helping Hand

Our Story begins with a vision - to embrace excellence and inclusivity by delivering high-quality disability support services. At Embrace Healthcare Solutions, we are passionate about embracing and going individuals with disabilities the power to shape their destinies into reality. We provide flexible and innovative disability support solutions that promote independence, respect and dignity.

Our commitment to best practices in disability support services has been demonstrated through our unwavering support for the National Disability Insurance Scheme (NDIS) since our inception. We take pride in knowing that many participants are now living life to their full potential. Our passion for changing lives continues today, as we empower people with disabilities to embrace their best future.

OUR MISSION

Embrace Healthcare Solutions is an NDIS service provider that provides customised, person-centred disability and aged care support services that cater to the unique needs and circumstances of each person living with a disability. Our services come with a range of choices, enabling you to exercise control over your disability support plan and make the best possible decisions for yourself. Our team of dedicated support workers, including registered nurses, Enrolled Nurses, Allied nurses, therapists and other experts, you can be confident that your needs will be met and your goals achieved.

OUR VISION

Our vision is to embrace excellence and inclusivity by delivering high-quality disability support services.

Our Vision embraces bringing talented individuals to our team who share our dedication to excellence and inclusivity. We are committed to fostering, empowering, collaborating, and creating a supportive workplace culture where each individual can thrive professionally and personally.

OUR TRANSITION PROCESS

Move down to come after Changing Providers

WEEKS 1-2

- Getting to know you - We strive to further understand your distinct goals, emotional, and care needs.
- Gathering information - We will compile the necessary paperwork such as consent forms, providing enrolment forms, service agreements, and health information.
- Creating your care plan - We will create a comprehensive care plan that outlines your needs and goals.
- An outbreak & Introducing you to the team - We will work with you to draft or choose disability support workers and NDIS Providers that will be providing your care.

WEEKS 3-4

- Reviewing paperwork - We will finalise all necessary forms and documents to ensure that your transition is smooth.
- Planning care - Our team will plan the support you need in order to achieve your goals.
- Commencing progress - We will review and access your progress with you on a regular basis to ensure you're receiving the support you require.
- Overcoming risks - Our team will also assess any potential risks and develop strategies to manage them effectively.

CHANGING PROVIDERS

Move up to come before "our transion Process".

We understand how important it is to find the right care provider that suits your needs. That's why our team is dedicated to helping you make the transition from your current provider to joining our services as seamlessly as possible. Our structured transition process is designed to provide you with the support, advice, and guidance you need so you make this important transition. With our dedicated team of support workers and experienced NDIS specialists, we can ensure a smooth transition to our services. We look forward to being able to be a part of your journey and to help you achieve your goals.
