## Magician Unveils Exciting New World Class Comedy and Magic Club

**La Quinta, CA - August 28, 2019.** Marvyn's Magic Theater is an electrifying new entertainment venue featuring top-drawer magic, comedy, and variety artists from around the globe. **Marvyn's Magic Theater** is a luxurious 129 seat club, exclusively for the 21-and-over crowd. Marvyn's dazzles audiences with sensational new shows weekly.

Guests enter through the Curio Shop, a recreation of an olde tyme magic emporium. As they pass the seemingly ordinary Magic Mirror the spirit of Harry Houdini awakens and speaks, conjuring up laughter and surprise. In the Dematerialization Chamber, friends and family step in and vanish ... only to magically reappear in the lobby. Marvyn's Corner Bar offers choice cocktails, wine, or draft beer. Here guests enjoy live piano music and up-close magic tricks 'til show time.

**Jeff Hobson**, the charming, hilariously funny, and flamboyant host at Marvyn's, is a 14-year veteran of the Las Vegas Strip and star of the Broadway smash hit show **The Illusionists**. Jeff states that Marvyn's offers "an intimate evening filled with world-class comedy and magic like you've never experienced before." Hobson, who has given over 20,000 live performances, also produces and directs all the shows.

Marvyn's Magic Theater materialized when California businessman and entrepreneur **Gary Beutler** presented Jeff with the idea of a club featuring magic and the variety arts. Jeff loved the idea. As he puts it, "I've produced shows all over the world and have been blessed to be working with the best acts in the business. Now I'm very proud to bring that experience to Coachella Valley via Marvyn's. I see the theater as a great addition to the growing list of great entertainment attractions La Quinta has to offer."

Marvyn's is named for **Marvyn "Mr. Electric" Roy**. At 94, Marvyn is a hero among the local magicians of the Valley. The local assembly of the **Society of American Magicians**
