

Consider making this page background black instead of white to mirror the front cover?----->

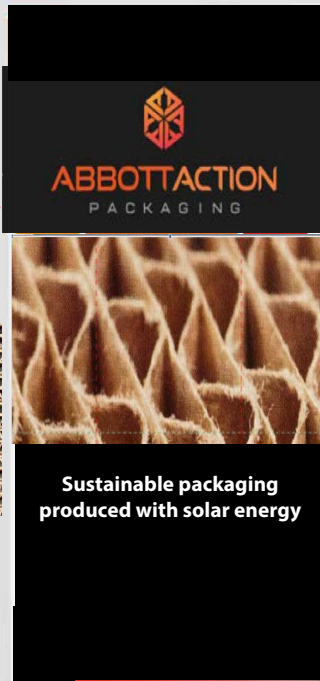

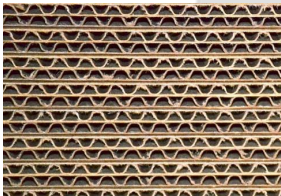

You can keep this middle page background white:

Add in sustainability statistics with icons as described in feedback w/ QR code to website listed in feedback.

Just keep this -
Maybe
increase font.

Move this down to corner?--->

SUSTAINABLE PACKAGING
for a greener, cleaner, better tomorrow

<-- Add more black to the inside.

Maybe add black background for this bottom portion, and leave a white background for the images? Keep titles in orange but make descriptions in white font.
