Underground Noodling (fossicking) Tour: \$50

Duration approx. 2 hours

9.30am start

An amazing opportunity to access an exclusive underground mine in the opal fields to try your hand at noodling (fossicking). This tour is ideal for those who don't mind getting down and dirty whilst searching for their own opals.

Exclusive to Noble Tours, this impressive opal mine has extracted hundreds of thousands of dollars worth of opal.

After a quick introduction to noodling, you will be handed a blacklight, sieve and shovel to explore the tailings in the hopes of finding your own piece of opal to take home with you.

A truly unique experience.
