

TO APPLY

Step1.
Shake the
Liquid Eyeliner
well before use.

Step2.
Apply at least 2
coats of eyeliner.
It's important to let it dry.

Step3.
Slightly bend lashes and
lay on top of eyeliner.
Align magnet to attach.

TO REMOVE

- 1.Gently remove eyelashes form edge of eyelid towards the center.
- 2.To preserve eyelash for longer use, remove any left over liner from the magnets and store back in box.
- 3.Using Eye make-up remover or Miscellar water gently clean of the liner with a cotton or Q-tip.
