### UNDERGROUND HOME

Our guide will show you through a miners dugout. See how people live underground and learn why, as you experience underground living first hand.

### OPAL MINING

We'll make our way down an underground mine where we'll show you the different techniques that modern miners use to extract this beautiful stone.

### DRIVE THROUGH THE FIELD

Making our way into town, via the opal fields, you'll get a front row seat for viewing our magical landscape that has been terraformed with over 100 years of mining. We might even pop into Coober Pedy's world famous golf course on our way!

### NOODLING

Next we hit the nodding field to try and find our own opal. With our expert guide showing you how to find opal you'll be a pro in no time!
