## Why Choose DH Griffin?

D.H. Griffin specializes in projects that require unrelenting attention to precision and the highest priority placed on safety. Our dedication to excellence is why we're the preferred partner for clients for demolition, rigging, environmental, and site work projects. Our long standing relationships with some of the world's most renowned structural collapse and forensic engineers means your project has the right experts in place from the beginning.

“DH Griffin did an excellent job leading a very complex demolition project for us. They bring a level of knowledge and confidence that is very reassuring, especially related to their approach to planning and safety. I would highly recommend them!”

**Kevin Appleton**, Chief Operating Officer  
Batson Cook Construction

## A 20 YEAR PARTNERSHIP

“I have worked with D.H. Griffin for twenty years on major emergencies. They are simply the best, I would call no one else.”

**Gary F Panariello, PhD, PE, SE**, Managing Director - Thornton Tomasetti
