Message

From SAFECOM

Every year, many areas are badly affected by natural disasters such as bushfire, floods and storms. This condition causes material and mental losses, and requires assistance from various parties to restore the situation.

Objective

The purpose of 30 Days, 30 Ways is to help better prepare the community and make them more resilient before a disaster or emergency strikes.

Activity

Description

This volunteer event will be held for one full day and will involve all residents who want to participate. Activities will be carried out in disaster-affected areas, and will consist of several activities such as :

Target Participants

This event is intended for all residents who want to participate, especially residents who live in disaster-affected areas.

- 
- Distribution of material assistance such as food, drinking water, and clothing
 - Provision of clean water and sanitation facilities
 - Planting trees and improving the surrounding environment
 - Creation of recreational and entertainment activities for affected children

30 Days, 30 Ways Team

Harper Russo

Margarita Perez

Morgan Maxwell

Helene Paquet
