Dear Family,

I hope this letter finds all of you in good health and high spirits. Our family, which is spread across different parts of the country, rarely gets an opportunity to gather together under one roof, but I am excited to inform you that we have finally planned a family reunion.

It has been long overdue, and we are looking forward to catching up with everyone, reminiscing old memories, and creating some new ones over the course of this event. I cannot emphasize enough on how important this reunion will be for our family. We have come to learn over the years that nothing can ever replace the love and connections that we share between us.

Our family reunion will be from September 1, 2023, through September 3, 2023. We will have a fun-filled weekend filled with activities for all ages, which will include games, music, storytelling, and much more. It is a chance for our family to get to know new members, spend time with those we know and love, and to make it a memorable experience.

Please RSVP and pay your deposit as soon as possible at <https://johnsonreunion.net> so that we can make arrangements accordingly. Also, please notify any family members who may have been left out or forgotten.

I cannot wait to see all of you soon and spend quality time together as a family.

As ever,

The Johnson's Family Committee
