For the well-being of our planet

Reduce environmental impact by diverting food waste from landfills and recycle it into a high quality soil to create a sustainable circle.

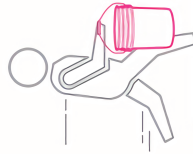

Sign up here

**We provide you a 5 gal pink bucket
so you can collect your
food scraps at home**
Every bucket comes with a reusable ezpeel
lid. Easy to seal and reuse anytime.

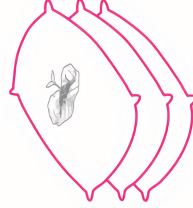

Fill up your home 5 gal pink bucket
Pink bucket comes with an attractive
instruction label, showing everything
that can go into the bucket to be
composted at the farm. We also include
a list of material not accepted.

We collect your food scraps
We swap your can for a clean one each
service day. This means **NO SMELL** and
NO RESIDUE

Make a difference!
By composting you're honoring the natural
cycle of mother earth, you are now recycling
your food waste, supporting your
community and protecting the planet.

You complete the circle
Every six months you earn compost!
Share it with local gardens or have it
delivered it to you

**Together we have diverted 261,030.44
lbs of food scraps from landfills**
