HRA People Development

WHO WE ARE

HRA People Development is a unit of the Enterprise Talent Management Services team. We offer State of GA agencies and entities forward thinking consulting and learning solutions services – with a focus on management development.

As a trusted adviser, our goal is to help our clients in whatever capacity can be most useful and help them be successful. We have over 30 years of experience in the public and private sector helping clients solve problems and implement modern solutions that deliver results. Our

I don't particularly like the current icons used to highlight our 3 primary services. I'd love for the designer to suggest some that are more bold and will stand out in principle like the ones in the banner example to the right. They do not have to be square.

WHAT WE DO

Adapting to a rapidly changing world and future workforce is a defining challenge for today's State of GA leaders and managers. We help our enterprise HR partners and managers get "future-ready" and prepare for the modern workplace by helping them:

- ✓ Build transformational leaders
- ✓ Create a coaching culture
- ✓ Drive employee engagement

Along with our client consulting services, we provide learning and development solutions that are relevant, experiential, and collaborative
