Student work is chosen from Spring and Fall quarters of 2022 and Winter quarter of 2023 at Yakima Valley College. Classes include ceramics, painting, drawing, printmaking, photography, and design. A large selection of the students' best work makes this one of the favorite exhibitions of the year and a wonderful opportunity to purchase art. In addition to the student artwork, each instructor shows the creativity of their own personal work.

LARSON GALLERY GUILD MEMBERSHIP SHOW June 8 - 24, 2023

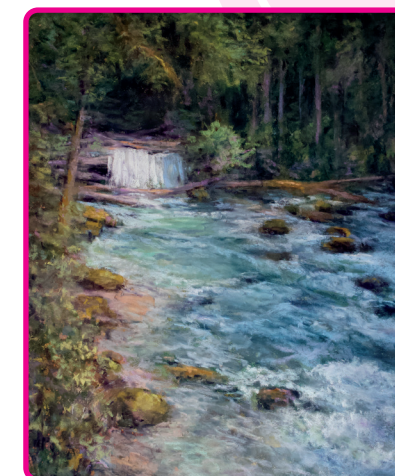

This annual non-juried exhibition highlights the creativity of the members of the Larson Gallery Guild. The Larson Gallery Guild consists of approximately 350 members and in 2022, this exhibition had around 100 entries. Since Guild members can only exhibit one piece in the exhibit, members are very selective about their work and choose their best piece. What makes this exhibit special is its variety of media. Many artists use this time to explore and exhibit the result of a new process.
