Members' Event

The Larson Gallery Guild began in 1955 to support the mission of the Larson Gallery. We have continued to grow over the decades and in the past year, the Guild now enjoys the support of over 360 members. It is through these loyal and dedicated art lovers and community leaders that the Larson Gallery Guild is able to support the Larson Gallery and staff to build ongoing exhibits and programs which are vital to the growth and sustainability of a collaborative arts scene in Yakima. Each year, the Larson Gallery Guild shows their appreciation to their members by throwing a party, to honor their support and work. We join together each fall to celebrate our common mission and purpose: *To Cultivate a Love of Art.*
