

## Design a logo for a company rebranding.

The existing company was focused on coaching tools, but its time to change directions and enter a new market.

The new company Name will be "**Regatta Solutions**" we aim to provide a one-stop-shop for all the technology to run a modern rowing regattas.

Our business will offer a turnkey solution that includes;

- Regatta management
- Entry Management
- Race timing
- Automated live video streaming
- A spectator App that includes a unique animated view of the regatta
- Post race analytics for the coach and athletes

Our Technology includes

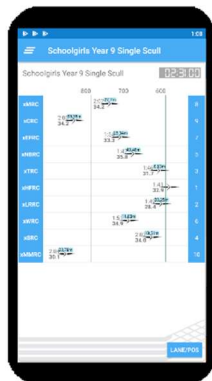

a propriety GPS tackler

A secure regatta network

An App for spectators
