

CRB Entertainment – 2023 Logo - Design Description

I'm looking for someone to design my entertainment company logo, which we provide services from DJ Services, special event host, event lighting, photo booth and audio/visual support. Please note we provide services from weddings, corporate events and personal private events, so we need a professional, clean, sleek, unique and attractive business card.

Description title: Entertainment Company Logo design

Weddings, Corporate Parties, Private Parties, Residential Property Managers that give parties to their residents

Uniqueness: Logo must be unique and is capable of making a separate identity for itself. Must be designed in such a way that it should be recognizable and readable in every circumstance.

Timeliness: The logo must be designed in such a way that it can be usable for years.

Simplicity: Logo must be simple and easy to understand, clear enough to be readable by a child as well as a granny.

Suitable and Sufficiency: Logo must be capable of fulfilling every need

Logo Colors: Maroon / White / Black

Company Name: CRB Entertainment

Logo Tag Line: DJ Services | Photo Booths | Event Lighting

Aspect Ratio: A Square design is always best as this allows for maximum adaptability of the logo

Other Notes

- Professional Logo / Clean looking Logo
- Add: TM (TradeMark) toward the bottom right of the design
- Please feel free to be creative for the company logo, which i will like something that people will recognize as soon as they see the logo even if they don't see the main front man at the event.
- Don't copy elements from popular designs
- Avoid the use of clip art
- Make sure that the logo will look good in black and white
- Logo need to be recognizable when resized
- Logo must be designed in such a way that it can be capable of invoking bold and confident feeling not dull or weak..
- If you need to get a better feel for the company, please visit our website at www.crbentertainment.com
- File Formats: PSD, AI, EPS, PDF, JPG, PNG
- Must provide fonts name and how to acquire fonts for future changes

DO NOT:

- NO traditional entertainment/DJ logo so please do not submit those logo's because we have seen them all around the world on people business cards and websites.
- No Readymade logo template / absolutely no stock imagery / icons or clip art
