

Directions: Take one or two capsules after meals. Do not exceed three capsules per day. Take during real-time cravings or before drinking situations for additional craving support. Store in a cool dry place, tightly closed. Keep away from children.

Warning: Not to be used by children under 18 years, women who are pregnant, may become pregnant, breastfeeding, people taking antidepressant drugs or sedatives. If you are under a physician's care or taking any medications, or being treated for heart disease or diabetes, consult your health care professional before taking this product.

The FDA has not evaluated these statements. This product is not intended to diagnose, treat, cure, or prevent any disease.
