

Step 1 - **Integrity** Assessment - Spend 15 minutes with our team while we analyze your account and contract details to select suppliers that fit your needs.

Step 2 - **Integrity** options! We'll send you an energy quote with at least three options to choose from - including different suppliers and contract terms. Our unbiased advice will help you find the best solution!

Step 3 - **Integrity** sign-up! Our simple sign-up process is handled electronically. Even contract signatures.

Step 4 - **Integrity** QA - Every order detail is confirmed to ensure accuracy and smooth processing.

Step 5 - **Integrity** Monitoring - We proactively monitor your accounts to address any contractual issues with suppliers, should they arise. (E.g., You sell your business, account number changes, etc.)

Step 6 - **Integrity** Renewal - To protect your business from market volatility, we contact you ahead of your contract end date to discuss renewal options. If anyone else contacts you, you respond, "No thank you, **we have Integrity!**"

Step 7 - **Integrity** Guarantee - Sleep Easy! You'll never fall "out of contract" with **Integrity** as your broker.
