

FIBERGUARD®

FIBERGUARD "I can't believe how much smoother the debarker runs!"

FIBERGUARD "Logs feed much better and without slippage."

FIBERGUARD "Log centering is much more reliable and smooth."

FIBERGUARD "No more spinning logs!"

FIBERGUARD "We are using less air, this saves us \$125.00 (US) per month on electricity"

FIBERGUARD "16 hours to resurface, or 29 hours to replace flutes; now we change all 24 inserts in 2 hours!"

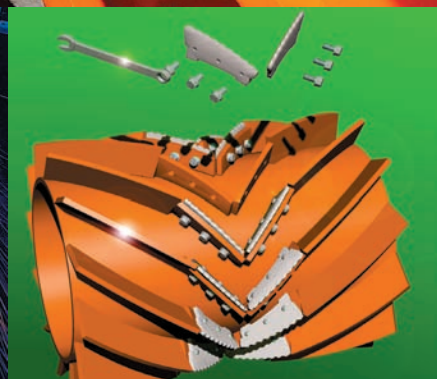

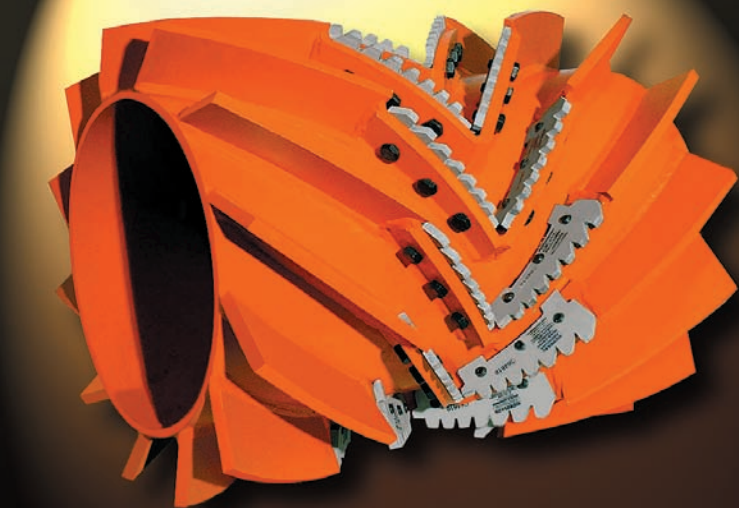

FIBERGUARD "We have been using Fiberguard rolls since January, and won't replace inserts until September!"

FIBERGUARD "A full 1 percent improvement in reduced defects gives us \$280,000.00 (US) more revenue per year"
