- Please be aware that ComGraf Inc. will not be held responsible for the errors and oversights made by our customers. Please carefully review your proof that we provide to ensure accuracy of design throughout the order process.
- All stated quantities will be subject to a +/- 10% printing variance. ComGraf is not responsible for any errors, omissions, or extra costs resulting from mistakes by customers after final proofs have been approved and submitted for production.
- ComGraf Inc. does not guarantee color matching or ink density on JPEG or PDF screen proofs. An online proof is not an accurate color reproduction of your final printed piece but is the final opportunity for you to check the layout, bleeds, crops and final text.
- Electronic proofs do not show transparency and over print issues. Nor do they show color change from RGB or Pantone to CMYK. Because of differences in equipment, plastic films, inks, and other conditions between color proofing and production pressroom operations, a reasonable variation in color between color proofs and the completed job is to be expected. When variation of this kind occurs, it will be considered acceptable performance.
- Upon receiving proof, all customers must respond by email. By approving the design proof, you, the customer, agree to ComGraf Inc.'s terms and conditions.
- Production will not proceed until a minimum 50% non-refundable deposit and an e-signed confirmation of finalization of design proof are received, and all components for printing are landed at ComGraf's warehouse.
- Any press time lost or alterations/corrections made after the finalization of design proofs for production will result in additional costs invoiced to the customer.
- You agree not to provide any text, images, designs, artwork or other content to ComGraf Inc. that could give rise to any civil or criminal liability under applicable law and/or that could infringe upon any rights of privacy, publicity, copyrights or other intellectual property rights of any other party. Further, you unconditionally guarantee, represent and warrant that you have all appropriate and necessary rights and authority to use such content. You further agree to defend and indemnify the ComGraf Inc. for any liability it incurs resulting from any misrepresentation by you in connection with this paragraph.
