## OUR SERVICES

Integrum provides best-in-class people, project management, and services for your design, furniture, move management, decommission, and asset management needs to create a healthy and optimal workplace and facility environment.

### Space Planning & Design

Planning and design to create healthy spaces according to desired function, flow, look, and feel.

### Move Management

Planning and Project Management of Moves/Adds/Changes, Re-stacks, and Reconfigurations with focused execution to decrease downtime and excessive costs.

### Decommission

Plan, coordinate, manage, and execute all phases for decommissioning of facility, warehouse, office space, and assets (IT included - Servers, Cabling, E-waste).

### Asset Management

Plan, implement, and oversee client's on and off-site program to manage assets, labor, and technology. Provide physical storage and asset transport.

### Furniture Services

Furniture procurement (purchase and leasing), delivery, receipt, dis/assembly, and installation. Surplus handling - liquidation, recycling, donation, and disposal. Refurbishment and repair.
