

LEADING THE WAY

GREEN  **AIR**

MISSION

**Install, service, and maintain
quality heating and air conditioning
with precision craftsmanship.**

VISION

BE

One of the top three mechanical contractors in Virginia.
A company that attracts high level talent.
The most highly trained mechanical company.

DO

Create fluid communication from estimating to installers.
Provide all three mechanical trades (HVAC, Plumbing, and Electrical).
Simplify processes through software.
Use all software/tools as intended.

HAVE

The right balance of service to construction revenues.
Work-life balance.
Consistent billable man hours.
All projects completed under budget.

VALUES

To pursue excellence with integrity and commitment. To help people develop as individuals and as a team. To grow profitably by committing ourselves to our customers' success.

MISSION

**Install, service, and maintain
quality heating and air conditioning
with precision craftsmanship.**
